aspencer@blankrome.com

Amy Spencer is an associate in Blank Rome's policyholder-only insurance recovery practice. Her experience spans across all major lines of insurance, and includes:

- underlying claims involving the False Claims Act
- consumer protection statutes
- environmental and mass tort liabilities
- directors and officers liability
- products liability
- trademark and patent infringement
- business interruption
- first-party property claims
- various business torts

During law school, Amy served as an editor for the *Michigan Law Review* and was recognized as a Clarence Darrow scholar.

She has authored multiple articles on research and insurance practices in publications such as *Mealey's Litigation Report* and *The National Law Journal*.
