jwengland@blankrome.com

Jonathan England focuses his practice primarily on patent litigation and patent prosecution. While attending law school, Jonathan interned at the U.S. Patent and Trademark Office.

Prior to law school, he worked as a product development engineer in the Dry Film Photoresist Business and a supply chain modeler in the Agricultural Business at DuPont.

While attending college, he was a project engineering intern at Air Products and Chemicals and a Cleaning Validation Co-op at Sanofi Pasteur Inc.

Outside The Firm

Jonathan is an avid runner and has completed the Nashville Rock 'n' Roll Marathon and numerous half marathons. He enjoys participating in any team sport, visiting the Smithsonian's National Air and Space Museum, and reading.
