Michael Kim concentrates his practice on cash flow and asset-based lending, acquisition financing and mezzanine financing, representing institutional lenders and finance companies. He also has extensive experience in asset securitizations, equipment leasing and financing, vessel and railcar financing, and corporate trust matters. He has represented originators of financial assets, investment banks, trustees, and investors in the securitization of auto loans, equipment leases, healthcare receivables, and maritime containers.

During law school, Michael was an associate editor of the *Fordham Law Review*.
