nbmetral@blankrome.com

Nicole Bartz Metral concentrates her practice on a wide range of complex litigation matters involving general liability, breach of contract, class actions, fraud, negligence, and business torts.

She has also handled civil litigation cases involving multimillion-dollar damage claims against real estate developers, home builders, and general contractors.

During law school, Nicole served as the comments editor of the *Santa Clara Computer & High Technology Law Journal*, was the founder and president of the Sports and Entertainment Law Society, and received an award for being the outstanding graduate of her class. She also received a specialization in Intellectual Property.

Outside The Firm

Nicole enjoys traveling, Michigan football, and planning events.
