Steven Dubow concentrates his practice in the following areas:

- Mergers and acquisitions
- Capital formation
- Financing agreements
- Private equity funds and their portfolio companies
- Venture capital
- Joint ventures
- Shareholder disputes

Steven is recognized by *Chambers USA* as a leader in corporate, M&A, and private equity law. *Chambers* stated that he is praised by his peers for his “ability to get a deal to the finish line” and clients say “he is fabulous—as far as corporate counsel goes, he’s the best.” *Chambers* has also noted that he “works extremely effectively with the client and always has a positive impact on a deal.”

Select Engagements

- A specialty pharmaceutical company, in its acquisition of a manufacturing facility and numerous follow-on investments for pharmaceutical products.
- A full-service provider of the EZ Pass system, in its \$600 million sale to a public company.
- The eighth largest hospice provider in the United States, in its sale to a public company.
- The largest group of laser eye surgery centers in the tri-state Philadelphia region, in its sale to a public company.

- One of greater Philadelphia's largest infrastructure companies, in its strategic acquisition of quarries.
- A national weather forecasting company, in its geographic-expanding acquisition.
