tkelly@blankrome.com

Tom Kelly concentrates his practice in intellectual property litigation matters, including patent, copyright, trademark and trade dress infringement, counterfeit merchandise, and trademark and copyright applications. He also advises clients on the licensing of trademark and copyright portfolios, particularly in the fashion industry. He serves a wide range of clients in areas including:

- social networking (e.g., Facebook, Instagram, and Twitter) legal issues
- domestic and international trademark and copyright counseling
- trademark and copyright licensing
- prosecution of trademark and service mark applications
- internet issues, domain name disputes, UDRP proceedings, and e-commerce issues
- preparation of assignment, and confidentiality agreements
- domestic and international license agreements for trademarks, copyrights, software, and patents
- patent litigation
- copyright registration
